- Full-time employment by any law enforcement agency within Mecklenburg County: municipal, county, state, or federal
- A desire to learn the Collective Bargaining process and may be willing to serve at a future date on a FOP Bargaining team
- Availability for this training October 23-28, 2009

Charlotte-Mecklenburg FOP Lodge #09 wants to send the best possible officers / members to this seminar. Please don't underestimate yourself; we have many talented officers within our law enforcement community. If you have the desire to learn how this process will work please respond expressing your interest in attending. FOP Lodge #09 Board of Directors will review all the names of those interested and choose the best to candidates to attend.

Send an email stating your interest and any additional training or experience that you have to me at rlhncfop@bellsouth.net. Please include contact information so that we can call you to discuss any further questions that arise.
